Laid my head on a pillow  
Watched the night go by  
Watched the checkered pillowcases come alive  
Silence croons me slowly  
And i wonder how you are  
Are you sleeping soundly  
You don't quite feel as far

Saw your name written on the ceiling  
Not sure if i'm still dreaming of you  
I've seen you in my sleep

From across the room the clock leers  
As i try to sleep again  
I would rather shorten the night  
Than lengthen the day  
In sleep  
We lose half ourselves

I would rather spend it dreaming of you

Saw your name written on the ceiling  
Not sure if i'm still dreaming of you  
I've seen you in my sleep

Saw your name written on the ceiling  
Not sure if i'm still dreaming of you  
I've seen you in my sleep

Saw your name written on the ceiling  
Not sure if i'm still dreaming of you  
I've seen you in my sleep

Saw your name written on the ceiling  
Not sure if i'm still dreaming of you  
I've seen you in my sleep

Saw your name written on the ceiling  
Not sure if i'm still dreaming of you  
I've seen you in my sleep

I've seen you in my sleep

I've seen you in my sleep

I've seen you in my sleep
