The doorknob smiles at me alone  
But will I open the door again  
I've seen this happening before  
I've seen myself fall face first on the floor

Crash and burn  
On the floor  
And so I turn

So used to lying on the floor  
And now I'm sinking  
Unable to give anymore  
And now I'm sinking

Forever envelops my days  
Gasping for air as I look for an escape  
I'm drowning in a letter made to stay  
I took one look away

And so I turn  
Crash and burn  
On the floor  
So I turn  
Crash and burn

So used to lying on the floor  
And now I'm sinking  
Unable to give anymore  
And now I'm sinking

The strong's too weak to hurt the weak  
Must be strong enough to leave  
Can't function properly  
I'm lying here  
Lying here

Can you hear me talking  
Can you see me there  
I'm not getting anything from you  
Can you hear my whispers  
Can you see me there  
Coz I'd be lost

I'd be lost without you
