Play-Doh

From my head to my feet

I got the twelve pack from the strange man that lives  
down the street

It may taste toxic

But it's something I need

Can't you read the label?

It says do not eat

T-t-tasty

The blue is the best

It may not taste like blueberries but I am obsessed

It's just so gooey

It slides down your throat

Just sip a little water and right down it goes

I've gotta eat it (No)

Please let me eat it (No)

I've gotta eat it (No no)

Don't eat Play-Doh

Never eat Play-Doh

Don't eat Play-Doh

It's toxic

I wanna eat it (No)

I'm gonna eat it (No)

I'm gonna eat this Play-Doh (Play-Doh oh oh)

Don't eat Play-Doh

Never eat Play-Doh

Don't eat Play-Doh

It's toxic

What happened to just playing with clay?

Stuff like that and floam is just so yesterday

This shit's for eating

Wait I don't feel good

Play-Doh is for playing

Think I misunderstood

B-but I don't care (Don't care)

I like it a lot

Please let me remind you 'cause I think that you forgot

If you keep eating this nasty Play-Doh

You're gonna start throwing up all over the floor

I think I'm gonna blow chunks  
Rainbow colours and junk are gonna fly everywhere  
But I don't care  
I love Play-Doh  
Gotta have Play-Doh  
Don't eat Play-Doh  
It's toxic

I wanna eat it (No)  
I've gotta eat it (No)  
Im gonna eat this Play-Doh  
(Play doh doh)  
Don't eat Play-Doh  
You're such a psycho  
Why are you eating Play-Doh?

Shush girl  
Stuff your lips  
Try a little Play-Doh  
It tastes just like chips (I said)  
Shush girl  
Stuff your lips  
Try a little Play-Doh  
You wont get sick  
Try some  
Stuff you lips  
It feels so amazing  
It's like an eclipse

You'll end up just like this chick  
Don't wanna end up like this  
I'll never end up like this  
I won't eat it

Don't eat Play-Doh  
Never eat Play-Doh  
Don't eat Play-Doh  
It's toxic

I wanna eat it (No)  
Please let me eat it (No)  
I'm gonna eat it (No oh oh)

Don't eat Play-Doh  
Never eat Play-Doh  
Won't let Play-Doh  
It's toxic
