"Do I Worry"

Do I worry 'cause you're stepping out?
Do I worry 'cause you've got me in doubt?
Though your kisses aren't right, do I give a bag of
beans
Do I stay home every night and read my magazines?
Am I frantic 'cause we've lost the spark?
Is there panic when it starts turning dark?
And when evening shadows creep do I lose any sleep
over you?
Do I worry? You can bet your life I do

Do I worry when the iceman calls?
Do I worry if Niagara falls?
Though you treat me just like dirt
You think I give a snap?
Are my feeling really hurt when you're sitting in
somebody else's lap?
Am I curious when the gossip flies?
Am I furious 'bout your little white lies?
And when all our evenings end 'cause you've got a sick
friend that needs you
Do I worry? Honey you know dog-gone-well I do

Am I frantic 'cause we've lost the spark?
Is there panic when it starts turning dark?
And when evening shadows creep do I lose any sleep
over you?
Do I worry? You can bet your life I do
