you're trying to pretend
to love
all those people that you think are
beneath you

and there is no known doubt
that they got guns in their hands
there is no known doubt
that they got guns in their hands

'cause the whole world lives in fear
said the whole world lives in fear

and i know it
i know it
i know it
i know it
i know
i know in my bones

i know it
i know it
i know it
i know it
i know
i know in my bones

no it's not a question of loss
it's not a question of win
oh no
oh no
and no never mind the cost
or even how we get in
oh no
oh no
now i don't want you to feel so bad
no i don't want you to feel so bad
that's not what i want

we'll be okay
we're all okay

we'll be okay
we're all okay
