Oh, it happened at the same time  
It happened just the one time  
It happened to us

It happened at the same time  
It happened just the one time  
It happened to us

Pressed down, pressed down  
Shakin' together  
Ooh, pressed down, pressed down  
Shakin' together  
Ooh, pressed down, pressed down  
Shakin' over us

Oh, it happened at the same time  
It happened just the one time  
It happened to us

Pressed down, pressed down  
Shakin' together  
Ooh, pressed down, pressed down  
Shakin' together

Ooh, pressed down, pressed down  
Shakin' together  
Ooh, pressed down, pressed down  
Shakin' over us

I'm only one  
I'm only one  
I'm only one  
I'm only one
