Maybe.. I don't want you in my bed
You need it against the wall tonight

Maybe.. I'm just thinking with the wrong head
I like my situations tight

Maybe....you're just bein' flirty
Things have changed, and now it's time for dirty.

Baby.....that's just how I like it.
Look up at me now don't you bite it.

If you don't think you'll regret it, come and get it, come
and get it
If you don't think you'll regret it, come and get it, come
and get it
It's easier to swallow if you're fed it, if you're fed it.
So, get down on your knees
And come and get it. - come and get it. - right now.

Maybe.... I'll teach you a lesson
I don't want to see your mouth restin'

Baby - sees herself in the reflection
With two sets of lips that are perfection

If you don't think you'll regret it, come and get it, come
and get it
If you don't think you'll regret it, come and get it, come
and get it
It's easier to swallow if you're fed it, if you're fed it.
So, get down on your knees
And come and get it. - come and get it. - right now.
