(Hogan)

You're a hypocrite,  
Hypocrite,  
All you do is talk your shit then you don't do it.  
Hypocrite -  
All you do is talk your shit and you don't do it  
- no - no, you don't do it - no - you're a hypocrite

Just cause your family kissed more ass than mine  
Don't mean you can leave us all behind  
Shot the man that committed the crime  
But you're the shadowed figure from behind  
Guilty as every sin he was  
But somehow you're the one to judge  
Take out your anger and the shame  
Hold out your finger , shift the blame

You're a hypocrite,  
Hypocrite,  
All you do is talk your shit then you don't do it.  
Hypocrite -  
All you do is talk your shit and you don't do it  
- no - no, you don't do it - no - you're a hypocrite

You bend the rules that you enforce!  
Don't let nobody speak their voice  
Don't understand the concept of opinion  
(cause you never had one)

You tell us all what you're about  
Right before you chicken out  
Never doin' anything you say  
And now it's time, for your cheap ass to pay.

(chorus)

(Bridge)  
Get off your high horse,  
Get on the right course  
What makes you this way?  
Don't matter anyway...

Reality check - Needs to go in effect  
I just can't stand this  
You low-life hypocrite

(chorus)
