(Hogan)

So what the hell are we gonna do about this situation?  
Do we pay it mind or let it slip on by?  
I try to think but I can't seem to find the patience.  
So do we pay it mind or let it slip on by?

Only if we had more time  
Then everything would be fine  
I just can't let myself go through it all  
I'll try to stand, but I know I'll fall

And I Don't Care, no I Don't Care how it goes from here  
No, I Don't Care, no I Don't Care how it goes from here  
As long as you know that I don't give a damn  
You never would bother to give me a hand  
Now you can just stand there with your stupid glare  
Just as long as you realize, I Don't Care.

So what the hell did I ever say to make you so damn  
angry?  
... Well, I guess that'd piss me off too.  
I'm sorry I don't have the will to make it better.  
So I guess this is goodbye to you....

Only if we had more time  
Then everything would be fine  
I just can't let myself go through it all  
I'll try to stand, but I know I'll fall
