Oh my god....  
Here she goes again  
How can one girl be so fake?  
The drama never ends.

I don't know what you're doing to me  
I can't show you what you will not see  
Your life is full of false tragedy  
And you're fooling nobody

Cause it's all in your head.....nobody gives a damn  
Its all in your head..... lets give this girl a hand!

-CHORUS-

You better run home and tell your mama  
You won best actress in a drama  
We both know - you're a star  
You're gonna go - so far  
But first - run home and tell your father  
To be proud of his daughter  
She's a drama major  
She's a drama major  
You never needed practice  
You were always the best actress - (in a drama)

So practice crying in the mirror  
Until you see clearer  
As the tears fall from your face  
Your ego falls from grace

Well how many times can a bitch cry wolf?  
How many people get reeled in by the hook?  
So many guys , so many lies  
Today is dirty laundry day.

Its all in your head.....nobody gives a damn  
Its all in your head..... lets give this girl a hand!

-- REPEAT CHORUS--

You never needed practice  
You were always the best actress - in a drama  
Ohh- o , in a drama. ohh-o.....

It's all in your head  
It's all in your head  
It's all in your head (She's a drama major)  
It's all in your head  
It's all in your head  
It's all in your head (She's a major drama)  
It's all in your head.
