(Hogan)

What's behind that door my friend?
If you knew would you lead me in?
The guilt don't wash away, so I've heard....

I can't listen to what my body's telling me
It says the message in my mind is plain to see
The smiles begin to fade, so I've heard....

You know that I will never make it - on my own
Why should I be forced to fake it - on my own
Should I just stand up and take it - on my own
On my own..... Why must it be this way?
I don't know you, you don't know me
I think I'll be safer..... on my own
Let's say goodbye, and call it a night
I'll stay here alone, I am on my own.

I don't need your sympathy
I don't need you to remember me
All I am is a number in the ground

I don't have time to ask forgiveness from myself
Then why waste time to be forgiven by someone else?
In their minds I'm just a number in the ground.
