(Hogan)

I wanna know.
Is there a way out of here
Cause right now it appears
I'll never find my way home

I wanna believe - in the heaven, moon and stars
But it seems so far - and God it's so hard.

Don't give up on me now,
Cause that's what I've already done

Oooooo, there's so much I had to show you
Oooooo, so much I had to say
Oooooo, if I bathe in holy water
Ooooo, would it drown my sins away?

How can you wake up every day
With that same sad look upon your face
Please don't turn away , that's what I've already done

Does anyone know what I've done to myself
I swear I wouldn't hurt anyone else
Please don't lose your faith., that's what I've already
done
That's what I've already done

Dust on my pillow, I cannot sleep till I'm awake
My life's a dream that seems fake, and now I'm losing
control

Too many hours - I can't tell if I'm alive,
Or if I should just say goodbye,
And just wait for the tide to wash me in.....

Don't give up on me now
Cause that's what I've already done

Oooooo, there's so much I should have told you
Oooooo, so much I had to say
Oooooo, if I bathe in holy water

Ooooo, would it drown my sins away?

That's what I've already done.
