You've outdone yourself this time.  
First water into wine,  
Now you play with human hearts  
To pass the time.

Is it that lonely up there?  
Is it that you just don't care?  
You take pride in proving life just isn't fair

'cause what were you thinking when you showed her to  
me?  
What were you thinking when you showed her to me?

It's all in my mind.  
It goes back to the time  
When I thought you would make her mine.  
.....but it's just water into wine.

Its all in my brain, you never knew my name  
Now I try - I can't feel the same  
How could I fall for it this time?  
Its just water into wine.

Why is love so hard to find  
Without one left far behind?  
I will no longer believe in your signs.

'cause I think you want her for yourself  
A masterpiece you'd never sell  
And giving her to me would put you in hell.

Then what were you thinking when you showed her to  
me?  
What were you thinking when you showed her to me?

It's all in my mind.  
It goes back to the time  
When I thought you would make her mine.  
.....but it's just water into wine.

Its all in my brain, you never knew my name  
Now I try - I can't feel the same

How could I fall for it this time?  
Its just water into wine.

You can have my congratulations.  
I finally get what you've been saying.  
Why would you give her to me?  
She's your angel, I'm the beast.  
Now it's so easy to see  
I'm your failure ....

She's your masterpiece.
