When I was with you
Life seemed so enticing
Now that we're through
It's nothing short of frightening

You knew what you wanted
You knew what you needed
I wasn't a part of it
Even though I really wanted to be
You took what's best from me
And said it'll work out, you'll see
Please don't let this fall apart

Waiting, Watching, Drinking for ya baby
I'm waiting, watching, drinking for ya baby
I'm waiting, watching, drinking for ya baby
Waiting watching drinking for you baby

Your nectar tastes so sweet
All I ever needed to make me feel so complete
I can't believe this news I heard
Now the only nectar I'd be drinking
Come's stright from the bottle

I knew what I wanted
I knew what I needed
Didn't agree with it but
It don't work that way
If you want the best for me
Then you'll come back to me
Please don't let this fall apart

Waiting, Watching, Drinking for ya baby
I'm waiting, watching, drinking fer ya baby
I'm waiting, watching, drinking fer ya baby
Waiting watching drinking for you baby

This begging hurts so bad
You were the best thing I had
Come on
Don't let me be here all alone

You were what you wanted
I knew what I needed
You didn't agree with that but
It don't work out that way
If you'd come back to me
Then I'm sure that you'll see
This doesn't have to fall apart
