Human
Human
Human
Human
Human with all my all my frailties
Human with all of my faults
Human with my aspirations
Human suffer from my temptations
Description me
From what I see
Description me
From what I see
Human
Human
Human
Human
Human with my double standards
Human with a curious mind
Human I'm easily angered
Human from my curious mind
Description me
From what I see
Description me
From what I see
Description me
From what I see
Description me
From what I see
Human
Human
Human
Human
Human
Human
Human
I'm a human being my desires overriding my needs
In our hands responsibility
Too much
Yoo much for us humans
