Here we go again
Callin on a good friend
Sippin on a rye, pickin up a 40 coz my mouth's dry
Boardwalk, hustlers with their cheap talk
Trying to find the time on their tijuana knock offs
Hookin up with the b-dub crew
The hottest setting up for a front row view
Knockin back laughs and a bottle or 2
Just watchin that ass as it rolls on through

Life is short son better have some fun
(party like a rock star kick a little ass)
Crack a cold one, snap a fat one in the mid day sun
(rockin like a porn star slap a little ass)
Life is short son better have some fun
(party like a rock star party like a rock star)
Crack a cold one, snap a fat one in the So Cal sun
(rockin like a porn star slap a little ass)
Full blown knuckleheads So Cal Loco

liquor like octane, soakin in my membrane
I might be cracked but I still can throw
So out come the dice it's a 3 bone night
Bankin at the table fools still don't know
So I school a little crash course show em what they're in
for
People gather round for a ring side view
Hypen up the show, I shake em up then let em go
4, 5, 6, bling bling see low!

Life is short son better have some fun
(party like a rock star kick a little ass)
Crack a cold one, snap a fat one in the midday sun
(rockin like a porn star slap a little ass)
Life is short son better have some fun
(party like a rock party like a rock star)
Crack a cold one, snap a fat one in the So Cal sun
(rockin like a porn star slap a little ass)
Full blown knuckleheads so cal loco

(Now repeat repeat step 1)

Now I must say that I'm feelin real fine
Money in my pocket and girls on my mind
No I'm not talkin about a true romance
18 go low and a table dance
Because its really kinda funny if you drop a little money
How the ladies start a buzzin like a bee does to the
honey
Its all about makin them home town laughs
Party like a rock star kick a little ass!

Life is short son better have some fun
(party like a rock star kick a little ass)
Crack a cold one, snap a fat one in the midday sun
(rockin like a porn star slap a little ass)
Life is short son better have some fun
(party like a rock star party like a rock star)
Crack a cold one, snap a fat one in the So Cal sun
(rockin like a porn star slap a little ass)
Full blown knuckleheads so cal loco
