I've got your picture  
Of me and you  
You wrote "I love you"  
I love you too  
I sit there staring and there's nothing else to do  
Oh it's in color  
Your hair is brown  
Your eyes are hazel  
And soft as clouds  
I often kiss you when there's no one else around  
I've got your picture, I've got your picture  
I'd like a million of you over myself  
I asked the doctor to take your picture  
So I can look at you from inside as well  
You've got me turning up and turning down and turning  
in and turning 'round  
I'm turning Japanese I think I'm turning Japanese I really  
think so  
Turning Japanese I think I'm turning Japanese I really  
think so  
I'm turning Japanese I think I'm turning Japanese I really  
think so  
Turning Japanese I think I'm turning Japanese I really  
think so  
I've got your picture, I've got your picture  
I'd like a million of them over myself  
I want the doctor to take your picture  
So I can look at you from inside as well  
You've got me turning up and turning down and turning  
in and turning 'round  
I'm turning Japanese I think I'm turning Japanese I really  
think so  
Turning Japanese I think I'm turning Japanese I really  
think so  
I'm turning Japanese I think I'm turning Japanese I really  
think so  
Turning Japanese I think I'm turning Japanese I really  
think so  
No sex, no drugs, no wine, no women  
No fun, no sin, no you no wonder it's dark  
Everyone around me is a total stranger

Everyone avoids me like a cyclone ranger  
Everyone  
That's why I'm turning Japanese I think I'm turning  
Japanese I really think so  
Turning Japanese I think I'm turning Japanese I really  
think so  
I'm turning Japanese I think I'm turning Japanese I really  
think so  
Turning Japanese I think I'm turning Japanese I really  
think so  
Turning Japanese I think I'm turning Japanese I really  
think so  
Turning Japanese I think I'm turning Japanese I really  
think so  
(Think so think so think so)  
Turning Japanese I think I'm turning Japanese I really  
think so
