Look into the eyes of fear
To see the one pain
Of this soul my dear
The shadows over my head
That there is nothing now
And will be nothing in the end
Oh nothing in the end
Oh I'm on my knees
I'm begging please

Is there a place for the end?
Kill me now
Kill me now
Is there a place for the end?
I'm on my knees
I'm begging please

Why? why? tell me why?...

Please Lord I pray
Don't let me be alone
I know you're here
And I'm not on my own
Though I lose sight
Through all these tears
Just help me through
All my fears
And all the memories
All the memories

Is there a place for the end?
Kill me now
Kill me now
Is there a place for the end?
I'm on my knees
I'm begging please [x3]

*Sometimes I fall
Sometimes I fall
Sometimes I forget it all
Sometimes... Kill me now*

*Is there a place for the end?
Kill me now
Kill me now
Is there a place for the end?
I'm on my knees
I'm begging please*

*(Please Lord I pray
Don't ever let me be alone
I know you're gonna be by my side
I'm not on my own
When I lose sight
Through all my fears
I'll think of you
And there will be no more tears
As I lay me down
Help me forget these tragedies
Returning me these memories
Amen)*
