I said a hip hop the hippie

the hippie to the hip hip a hop and ya don't stop

A rock on baby bubba to the boogety bang

bang the boogie to the boogety beat

Now what'chu hear is not a test I'm a rappin to the beat

It's just me the groove and my squad we gonna try to
move your feet

See I am the doctor spoc and I'd like to say hello

A to the black to the white the red and the brown

the purple and yellow

Well, first I gotta bang bang the boogie to the boogie

say up jump the boogie to

Bang bang boogie let's rock you don't stop

Rock the rhythm that'll make your body rock

Now, so far you heard my voice a but I brought 2
friends along

And next on the mic is my man E come on E sing that
song

[Erick Sermon]

Well I'm imp the dip the ladies pimp

The womens fight for my delight

Cuz im the grandmaster with the 3 MCs
That shocked ya house for the young ladies
And when ya come inside into the front
And you do the freak spank and you do the bump
An When a sucka MCs tryin to prove a point
They trust this trio and wit a serious joint
And from sun to sun and from day to day
I sit back and write a brand new rhyme
Because they say that lyricals never cease
I created a devastated masterpiece
I'm gonna rock the mic 'til you can't resist
EVERYBODY! I said it goes like this
See I was comin home late one dark afternoon
Reporter stopped me for an interview
She said she heard stories and she heard fables
That I Mrs. On the mic and the turntables
This young reporter I did adore
Start rockin through this rhyme like I never did before
She said damn fly guy I'm in love wit'chu
Said that casanova led ya musta been true
I said by the way baby what's your name?
She said I go by the name of Lois Lane
And you could be my boyfriend you truly can
Just let me cut my boyfriend called Superman
I said he's a fairy I do suppose
Flyin through the air in pantyhose

He may be very sexy or even cute
But he look like a sucka in a blue & red suit
I said I need a man who got finesse
and his whole name across his chest
He may be able to fly all through the night
But he can't rock a party through the early light
He can't satisfy you with his little worm
But I can bust you out with my Supersperm
I go do it - I go do it - I go do it - do it - do it
And I'm here and I'm there
And I'm big bad E and I'm everywhere
So just throw your hands up in the air
And party hard like you just don't care
And just do it and don't stop y'all
A tick a tock y'all and ya don't stop
It goes ho-tel, mo-tel What'cha gonna do today(Say
Wha'?)
I'm gonna get a fly girl, I'm gonna get some spankin'
Drive off with a def OJ
Everybody go, Ho-tel, Mo-tel Hoilday Inn(Say Wha'?)
I say if your girl start actin' up
Then you take her friend
I say Skip, Dive What can I say?
I can't fit 'em all inside my OJ
So I just take half and bust 'em out
And leave the rest to Master Gee

So he can shock the house!

[Keith Murray]

Well I'm the M - A - S - the T - E - R a G with the double E

I said I go by the unforgettable name of the man they
call the Keith Murray

Well, my name is known all over the world

by all the foxy ladies and the pretty girls

I'm goin down in history

As the baddest rapper there ever could be

Now I'm feelin the highs and your feelin the lows

The beat start gettin into your soul

You start snappin your fingers and stompin your feet

And moving your body to the shore shot beat

And then DAMN! You start doin the freak

I mean DAMN! Right outta your seat

And then you throw your hands high in the air

Your rockin to the beat and shake your derriere

Your rockin to the beat without a care

'Cause the shore shot MCs from the affair

Now I'm not as tall as the rest of the gang

But I rap to the beat just the same

I gotta slim face and a pair of brown eyes

All I'm here to do ladies is hypnotize

I said a on and a on an on on an on

The beat don't stop until the break of dawn

I said a on and a on an on on an on

Like a hot butta pop ta pop hippie hippie pop ta pop pop

you don't dare stop

Come alive y'all and gimme what'chu got

I guess by now that you can take a hunch

And find that I, am the baby of the bunch

But that's okay, I still keep it strive

Cuz all I'm made to do is wiggle your behind

An sing a on and a on an on on an on

The beat don't stop until the break of dawn

I said a on and a on an on on an on

Rock, rock y'all, and get on the floor

I'm gonna freak you here, I'm gonna freak you there

I'm gonna freak you out of this atmosphere

Cuz I'm one-of-a-kind, I shocked your mind

Look what they did Gee, No diggity about your behind

I said a one, two, three, four

Come on girls a-get on the floor

Come alive y'all and gimme what'chu got

Cuz I'm guaranteed to make you rock

I said a one, two, three, four

Tell me Dr. Spoc What are you waitin' for?

[Redman]

I said a hip hop the hippie to tha hippie the hip hip a hop

An ya don't stop a rockin to the bang bang boogie

Say up jump the boogie to the rhythm of the boogety
beat

Skippity we bopp we rock a scooby doo

A guess what america we love you

Cuz you rock & you roll with a so much soul

A you could rock till you 101 years old

I don't mean to brag I don't mean to post

But Def Squads like butter on ya breakfast toast

A rock it out a baby bubba a baby bubba to the boogety

Bang bang the boogie to the beat beat

It's So unique come on everybody

Let's dance to the beat

Have you ever went over a friend house to eat

And the food was just no good?

I said the macaroni's sour, the peas all mushed

And the chicken tastes like wood

I said you try to play it off, like you thinkin' you can

By sayin' that chu're full

And then your friend says, Mom, he's just bein' polite

He ain't finished, uh-uh, thats bull!

So your heart start pumpin' and you think of a lie

And you say that you arleady ate

And then your friend says, Man, there's plenty of food

So he piles some more on your plate

And while the stinky food's steamy

Your mouth starts a-dreamin' of the monent it's time to leave

And then you look at your plate, and your chicken's

slowly rottin'

And the somethin' that look like cheese

Then you say, that's it, I got to leave this place

I don't care what these people think

I'm just sittin' here makin' myself nauseous

With this Ug-ly food that stinks

So you bust out the door, while it's still close

Still sick from the food you ate

And then you run to the store for quick relief from a
bottle uh Kaopectate

And then you call your friend a two weeks later To see
how he has been

And he says I understand about the food, Baby Bubba

But we're still friends

A wit a hip hop the hippie to tha hippie the hip hip a hop

You don't stop a rockin to the bang bang boogie

Say up jump the boogie to the rhythm of the boogety
beat
