sending out a cry for unity  
division is our weakness, but Christ has set us free  
all are equal in his sight  
sending out a cry to unite  
united we stand  
divided we fall  
united we stand  
divided we fall  
christ gives us meaning in our lives  
in Him there's no division, there ain't no black, there  
ain't no white  
squad five-o's in the house  
brothers and sisters jump up and down  
united we stand  
divided we fall  
united we stand  
divided we fall  
UNITED!!
