In the blue sky
I can see the sun
Shining like the sea...

I want to meet
My favorite girl
To dance in the night...

Her body trying looking to me
My heart is mad when you touch me
You are my woman gang with me
When I can sing to your face...

Sun of beach I want an illusion
Give me your so sure
You will go to making that blue sky
Give me your so sure...

Her whitest skin
I'm happy to move
Smile up to me...

True love is mine
During all my life
We want the moon...

Viens avec moi
Je t'attendrais toujours
Ensemble on unira nos ames...

On dansera pendant toute la nuit
Parce'que moi je t'aime
I love you
Te quiero...

Si tu veux venir on sera seul
A la lumiere de la lune
Toi et moi...

Au bord de la mer
On parlera d'amour
Je suis la pour

Te donner mon coeur...
