You got the wrong think right  
You go insane  
This is a story of  
Which is not to blame  
Come on and listen now  
I tell it you  
Are not afraid of me  
I tell the truth

[Bridge:]  
Bereft of senses  
Bewitched in a way  
To get this horror of my mind

I got the power of dissatisfied  
You wanna knock me down  
I'm getting tied  
Every man has his price  
You becoming rich  
You are a keeper now  
Of this old bitch

[Bridge]

[Chorus:]  
The fat is in the fire  
Fuck off any rules  
Come on friends  
And stay tonight  
Hey what's going on  
You are too shy  
It's a dream of easy living  
Of loving and forgivin'  
You don't know

Bereft of senses  
Bewitched in a way  
That's what we play  
Come on friends  
And fuck off any rules  
You can't trust in this game  
Come on

Fuck off any rules

[Bridge]

[Chorus]
