You are the one who's playing with risk  
Searchin' the ultimate kick  
You are the one who's fuckin' this fate  
Dancing on a razor blade

Feeling the speed  
'Til your brain will bleed  
Your blood runs red  
Craving for lust

The eternity of a day  
You have to go your final way  
Your fate isn't in your hands  
Just a trace in the sand

To live by the sword means to die by the sword  
But you don't believe any word  
Cutting the blind bend with your motor bike  
Now even your fate is sealed

Your luck tastes revenge  
Have taken your legs  
Paying the price  
For your nature cold as ice

The eternity of a day  
You have to go your final way  
Your fate isn't in your hands  
Just a trace in the sand
