[Henner:]

Yes, I don't know what's going wrong

[Tobias Sammet:]

Thought that we are friends for life

I trust in you like no one else

[Henner:]

But now I feel your knife

[Chorus:]

You know what should I do

No one will save me

[Henner:]

There's one thing I have learned

[Tobias Sammet:]

Is not to believe in words

Believe in what you see and fear

[Henner:]

My end is coming near

[Chorus:]

You know what should I do

No one will save me

You know what should I do

No one will save me

[Repeat Chorus]
