You will catch the speed of light  
Seeming like an aimless fight  
You gonna hide yourself  
From your illusions

[Pre - Chorus:]  
You wanna tear me up  
You wanna break me down  
Live your life!

[Chorus (Twice):]  
You will be no liar  
You want to break me down

Poison is your favourite cure  
Can't survive and that's for sure  
Ever feel the urge  
When the needle lies

[Pre - Chorus]

[Chorus (Twice)]

[Bridge (Twice)]  
You will be no liar  
No longer a slave to your drug habit  
You will be no liar  
You feel blue  
Please tell me the truth  
Tell me the truth

Say you will  
Say you will  
Say you will, again!

[Repeat 1. Verse]  
[Pre - Chorus]  
[Chorus (Twice)]
