You sacrifice your whole life  
To the holy church  
You've changed your life completely  
Since the day you've lost your way

In the name of god  
Living under rules  
You don't need to understand  
Why there are rules to be a christ

[Pre-Chorus]  
You don't need no money  
You don't need no feelings  
You don't need no glory  
But when you...

[Chorus]  
Look up to the sky  
When lust is calling you  
Don't know how to fight  
This painful lust- painful lust- painful

Oppress your deepest wishes  
Look up to the sky  
It's not allowed to show your feelings  
Even when you're sad

You spend your life in darkness  
Privation is the name  
Looking for a better world  
While you're searching for your peace

[Pre-Chorus]  
[Chorus 2x]

Fall in love with you  
When you close your door  
Don't know how to fight  
This painful lust- painful lust- painful- painful
