Pray to as many different gods  
As there are flowers in the world  
Wich one is the real one? Let me know!

To avoid the same old questions  
We have to ask ourselves  
Why do we make the same mistakes  
As long as people live on earth?

[Chorus 2x]  
Who will save their souls  
If we can not save our own?  
Don't need fanatic leaders - Thinking is allowed!

It's good to keep your inner faith  
But don't be a headless fool  
And don't allow to be a weaken boy

Who will save their lonely souls  
If we can not save our own  
They call it "in the name of god"  
When they try to rule with blood and crime

[Chorus 3x]
