Wrong time wrong place  
You get nothing to do  
It seems like somebody's playing with you  
You fall down  
But you forgot to stand up  
Shut up, I don't care what you say!

[Pre - Chorus (Twice):]  
You wanna feel me  
You want to break me down

[Chorus:]  
Wrong time wrong place  
You're a hunter of luck  
Wrong time wrong place  
Your fate's escaping from you  
Wrong time wrong place  
Your reality has gone  
Wrong time wrong place  
Get out of my life!

Ha, Ha

Wrong time wrong place  
You've got holes in your shoes  
It seems like you gotta wish it's not true  
An inner strength  
Started pumping you out  
Shut up, I don't care what you say!

[Pre - Chorus (Twice)]  
[Chorus]  
[Repeat 1. Verse]  
[Pre - Chorus (Twice)]

[Chorus:]  
Wrong time wrong place  
You're a hunter of luck  
Wrong time wrong place  
Your fate's escaping from you  
Wrong time wrong place  
Your reality has gone

Wrong time  
Wrong time  
Wrong time  
Wrong time  
Wrong time, wrong place!
