With chainsaw in hand
Your death I demand
Slicing through your fat
My awaited gore attack

Manipulating lies
Is your way of life
Riding on cheap glory
Your life is getting gory

Watch you bleed to death
Gasping for last breath
Choking on your blood
I shit onto your guts

Sacrificial cunt
I despise
Sacrificial cunt
No more lies

Slabs of fat
Lay on the ground
Ram an axe
Into your mound

Time to pay the gruesome price
A stupid cunt we sacrifice

Watch you bleed to death
Gasping for last breath
Choking on your blood
I shit onto your guts

Sacrificial cunt
I despise
Sacrificial cunt
No more lies

Sacrificial cunt
I despise
Sacrificial cunt
No more lies
