"Burn For You"

Far away, Voice on telephone.
Everyday slips further away.
On and on, I long and long
and sing a song of about you.
Everyday I lay awake
And dream that someday
She'll come back to me.

I breathe for you.
I live for you.
I bleed for you.
I burn for you.

Much to say, but she won't speak a word.
And today, I know she's not alone.
On and on, I hope and hold on
To a dream of us together
Hear your voice there on the line
But all the calls just add up to goodbye.

I breathe for you.
I live for you.
I bleed for you.
I burn for you.

I need you.
I need you.
I need you.
I need you.

I need you.
I need you.
I need you.
I need you.

Far away, Voice on telephone.
Everyday slips further away.
On and on, I long and long
and sing a song of about you.
Everyday I lay awake
And dream that someday

She'll come back to me.

I need you.

I need you.

I need you.

I need you.

I need you.

I need you.

I need you.

I need you.

Much to say, but she won't speak a word.

And today, I know she's not alone.

On and on, I hope and hold on

To a dream of us together

Hear your voice there on the line

But all the calls just add up to goodbye.

I need you.

I need you.

I need you.

I need you.

I need you.

I need you.

I need you.

I need you.

I breathe for you.

I live for you.

I bleed for you.

I burn for you.

Far away.

She's not coming home.
