Kimi ni muke takono tegami wo ima utauyo  
Can you hear me?  
Honno sukoshi tere kusaikedo hontou no koto tsutae  
taiyo

Ae nai yoru kazoe te miage ta sora tooku mie temo  
Bokura mo onaji kimochi de  
Mitsu meru sora ga aru koto oboe teitene

Kimi no teno nukumori wo wasurenai yo donna toki mo  
Yes koboreta egao ga ima no boku wo sasae teirukara

Tsumazukisouninatta toki ha omoidashi te  
Precious shake hands  
Kono uta ga todoi ta yorokobi wo kakae nagara arui  
teyukou

Chikaku ni irarenakute sabishii omoi saserunonine  
Kimi gane ganbatteru koto omotte  
Bokuha matahora yuuki wo morau

Ashita mo kawa ranaiyo kisu yori tsuyoi yakusoku  
shiyou  
Way hanare teiru hi mo kimi no koe ga nari  
tsuduketeruyo

Promise to promise just you and me.  
I never forget your love.

Kimi no te no nukumori wo wasurenaiyo donna toki mo  
Yes koboreta egao ga ima no boku wo sasae teirukara

Let me tell you how I feel.  
Let me tell you how I feel  
Let me tell you how I feel...  
(Till fade)
