"Russian Roulette"

Visit "[Russian Roulette](#)" on MotoLyrics.com

with machineguns in the hand police ask about my
pass

welcome to moscow dont you try to make a mess
drink milkfiltered vodka get by train to the show
600 there, people start running wild now

refr :

this is russian roulette
this is love and hate
this is where power rise
its gonna explode at the show

pretty fucked up , starts the second day
driving thru moscow with a fucked up subway
army at the concert it doesn't make sense
but they should protect, prepared for a nazi offense

refr again!

get some bottles vodka take the train to the next one
"theres a bomb in the club" nazis made it for fun
To the people who live in fear
Dont give in , stay together to take care

Refr:

Where fascists act like terrorists
where free speech is not allowed
Fags without tabacco
It going wild now
