[Ms.Ce]

See you walking to ther mall with her-er
I know i'm not the only one
I'm thinking there's someone else
Than me and her-er

[Ms.K]

And why must you be so hard on me
I'm jnust tryna make it through
Just looking at her and you

[Hook]

I'm gonna find another
Boy that's better than you
I'm gonna find another
Boy that loves me and that's true

[Chorus]

Payback, Payback
Is what's on my mind
Payback, Payback
I'm gonna cheat on you from behind
Payback, Payback
Is what you're gonna get
Payback, Payback
Cause you're not worth my time

[Ms.Ce]

See you walk into Kay Jewels with her-er
Buying her all those diamonds and pearls
Cheat on me if you dare
Cause i dont really care

[Ms.K]

But you'll be sorry when i get a hold of you
You better run before I take off
All my earrings and shoes
Oh Oh yea

[Hook]

I'm gonna find another
Boy that's better than you

I'm gonna find another
Boy that loves me and that's true

[Chorus]
Payback, Payback
Is what's on my mind
Payback, Payback
I'm gonna cheat on you from behind
Payback, Payback
Is what you're gonna get
Payback, Payback
Cause you're not worth my time

[Ms. K (spoken words)]
Boys when you think
About cheatin on yo girl

[Ms.Ce (spoken words)]
You better hope
She cant fight
Cause

[Chorus (x2)]
Payback, Payback
Is what's on my mind
Payback, Payback
I'm gonna cheat on you from behind
Payback, Payback
Is what you're gonna get
Payback, Pack
Cause you're not worth my time
