Well, I can't get it off my mind
Said just can't seem to leave it behind
It haunts me 'til this very day
And I don't think it's ever gonna go away

'Cause the people, yes, common people
They be knowing this shit is real
Having a good time, ain't committing no crime
Innocent victims pushed to the red line

We'll put you people into a line
Interrogate your mind and what a time
Don't say a word, shut up and obey
Your opinion doesn't matter to us anyway

'Cause the more that you resist
Is quicker you make the list
Making your own choice
Playing with the big boys, pushing us too far
Gonna make a lot of noise

So don't forget the day
The people had something to say
Retribution is underway

Disturbing the peace
Disturbing the peace
Disturbing the peace

So don't forget the day
The people had something to say
Retribution is underway

Disturbing the peace
Disturbing the peace
Disturbing the peace

So don't forget the day
The people had something to say
Retribution is underway

Disturbing the peace

Disturbing the peace
Disturbing the peace
Disturbing the peace
Disturbing the peace
