Leader of a hippie cult  
The devilish chief  
Directs his wicked family  
To kill psychotically

Dying in agony  
As he observes patiently  
A quitless bloody murder  
In vain enigmatically

They truly believe  
That he is Jesus Christ  
As their bodies are raped  
Of their minds

They truly believe  
That he is Jesus Christ  
As their bodies are raped  
Of their minds

Your minds are filled with his lies  
And soon reality's deprived from your life  
No sense makes sense in this world  
He has your brainwashed mind under control

In the caverns you are led  
Where memory and thoughts are dead  
Your savior is all you need  
And off his love you feed

Dejected utterly  
X'd from society  
Killed for a so called god  
Pledge allegiance to your family

They truly believe  
That he is Jesus Christ  
As their bodies are raped  
Of their minds

They truly believe  
That he is Jesus Christ

As their bodies are raped  
Of their minds

Your minds are filled with his lies  
And soon reality's deprived from your life  
No sense makes sense in this world  
He has your brainwashed mind under control

Leader of a hippie cult  
The devilish chief  
Directs his wicked family  
To kill psychotically

Dying in agony  
As he observes patiently  
Killed for a so called god  
Pledge allegiance to your family

They truly believe  
That he is Jesus Christ  
As their bodies are raped  
Of their minds

They truly believe  
That he is Jesus Christ  
As their bodies are raped  
Of their minds

Your minds are filled with his lies  
And soon reality's deprived from your life  
No sense makes sense in this world  
He has your brainwashed mind under control
