[Words: Cavestany]

[Music: Cavestany & Galeon]

I need someone to live for  
Something to die for  
Because this crazy life  
Is getting to me  
Don't want to play the part  
Of a man with a broken heart  
Somebody help me find a way  
To release the aggression inside

It's so cold in this lonely room  
Sitting around thinking of you  
And I'm alone just talking to myself  
Trying to find the answer but to no avail

Never moving  
Never changing

Blank stares at the blank walls  
Drill a deep hole in my empty soul

Never moving  
Never changing

Life is just a game they say  
And what if I don't want to play no more  
Such a high price to pay  
Come inside or get away from that door

We've got to make a change  
We got to rearrange  
Because this stagnant life  
Is getting to me  
Like a river must flow  
It's time to let myself go  
Nobody made me choose the life  
I chose to live anyway

Forever moving  
Forever changing

Blank stares at the blank walls  
Drill a deep hole in my empty soul

Forever moving  
Forever changing
