"Oh My God"

The dishes in the sink don't care if I wake late
Or soak till the bath goes cold, leave the bed unmade

Cause when the drink goes in the devil comes out
Days go by still the past don't seem so far
But when the drink goes in the devil comes out
Days go by still the past don't seem so far

Oh my god
Oh my god

The plants in both the windows aren't listening for the
door
Or counting all the footsteps, keeping the bath warm

But when the drink goes in the devil comes out
Days go by still the past don't seem so far
But when the drink goes in the devil comes out
Days go by still the past don't seem so far

Oh my god
Oh my god

Oh my god
Oh my god
Oh my god
Oh my god
