We are the Leprechauns, dancing, dancing.
We are the Leprechauns, what do you think of that?
We are the Leprechauns, dancing, dancing.
We wear a green hat, we wear a green hat.

And when we're feeling bold, we stop and look for
gold,
We stop and look for gold, at the end of the rainbow.
Yes, when we're feeling bold, we stop and look for
gold.
We stop and look for gold, then you hear us say... Ahye
shamrocks.
We are the Leprechauns, dancing, dancing.
We are the Leprechauns, what do you think of that?
We are the Leprechauns, dancing, dancing.
We wear a green hat, we wear a green hat.
