I walked down to the bookstore
To find myself a book
Hoped to find some answers
Questions are difficult
I asked the counter
What do you have for me
Hoped to find some answers
Questions are difficult

And I walked home empty-handed
Nothing under my arm
I think that I am stranded
I won't do any harm

I walked down to the bookstore
To find myself a book
Hoped to find some answers
Questions are difficult
I asked the counter
What do you have for me
Hoped to find some answers
Questions are difficult

And I walked home empty-handed
Nothing under my arm
I think that I am stranded
I won't do any harm
And I walked home empty-handed
Nothing under my arm
I think that I am stranded
I won't do any harm
