St. Thomas
"Failure"

It takes a lot of time
To open up the door
You know that you'll be bored
You tried to widen out
But finds out you're a failure
A loser of it all
To figure something out
You'll miss on something else
You're middle inbetween
To be somewhere else
A totally different town
You're never to be seen

You're looking at a girl
She gives you the wide
And then you walk away
You float across the park
Lay and hide and see
The people you don't know
To figure something out
You'll miss on something else
You're middle inbetween
To be somewhere
A totally different town
You're never to be seen
