There's a girl down in the corner
I think she's looking at you
And now she starts to smile
Oh, I think she's coming over
She's gonna talk to you
So what do you do

I think she's feeling lonely
And wants someone to hold
Her arms around tonight
So why don't you go on
And ask her if she wants
To spend the night with you
Two strangers out of blue

When you wake up in the morning
In an unknown bed
With an unknown girl
You can bite her in the ear
And kiss her where you want
But don't let her too close

I think she's feeling lonely
And wants someone to hold
Her arms around tonight
So why don't you go on
And ask her if she wants
To spend the night with you
Two strangers out of blue

I think she's feeling lonely
And wants someone to hold
Her arms around tonight
So why don't you go on
And ask her if she wants
To spend the night with you
Two strangers out of blue
