Every time I think of you
I feel shot right through into a bolt of blue
It's no problem of mine, but it's a problem I find
Living a life that I can't leave behind
There's no sense in telling me
The wisdom of a fool won't set you free
But that's the way that it goes, and it's what nobody
knows
While every day my confusion grows

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You'll say the words that I can't say

I feel fine, and I feel good
I feel like I never should
Whenever I get this way, I just don't know what to say
Why can't we be ourselves like we were yesterday
Well, I'm not sure what this could mean
I don't think you're what you seem
I do admit to myself that if I hurt someone else
Then we'll never see just what we're meant to be

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You'll say the words that I can't say
