Oh Elijah, don't make me wait  
Nobody's winning  
The sharks are swimming in the red

Oh Elijah, don't make me wait  
While you are sleeping  
My mind goes creaking down the hall

Slow down, dilettante  
So I can limp beside you  
And follow in your house too

Hang on, street savant  
My bank in my back pocket  
How far you think it'll take us?

You're like a party I heard through a wall  
I'm always watching you through a keyhole

Let's not forget, let's not forget  
Let's not forget, why we crawled here

Oh Elijah, don't make me wait  
I got no patience for an estrangement, anyway

Wake up, avenue C  
Your hometown is still sleeping

You're like a party I heard through a wall  
Invite me  
But I'm always watching you through a keyhole  
Let's not forget, let's not forget  
Let's not forget, where we crawled from

Oh Elijah, don't make me wait  
What is so pressing  
You can't undress me anyway
