

# St. Vincent "The Antidote"

Visit "[The Antidote](#)" on [MotoLyrics.com](https://www.motolyrics.com)

I am the antidote  
I'll suck your venom out  
Show me where it really hurts  
I'll show you where it really hurts

Should've stopped for the wind  
Should've stopped for love  
Should've stopped for the wind  
Should've stopped for love

Honey, your clothes are soaked  
Mom leaves my daddy's trapes  
Show me where it really hurts  
I'll show you where it really hurts

Should've stopped for the wind  
Should've stopped for love  
Should've stopped for the wind  
Should've stopped for love

Should've stopped for the wind  
Should've stopped for love  
Should've stopped for the wind  
Should've stopped for love

Should've stopped for the wind  
Should've stopped for love  
Should've stopped for the wind  
Should've stopped for love

Should've stopped for the wind  
Should've stopped for love  
Should've stopped for the wind  
Should've stopped for love
