"The Thing I Hate"

Lost in a world of doubt and insecurity
Nothing that you hold sacred, nothing you believe
Your life is a contradiction
While you thrive on manipulation
I fight to just hold on to what i believe
I won't become the thing i hate
I won't become the thing i hate
I won't become the thing i hate
I won't become you

You've treated me like i'm a worthless piece of shit
You think you're in control but you make me sick
I want to watch you suffer
The way that you've made me suffer
I want to fuck up everything you've ever loved

I won't become the thing i hate
I won't become the thing i hate
I won't become the thing i hate
I won't become you
I won't become the thing i hate
I won't become the thing i hate
I won't become the thing i hate
I won't become the thing i hate
I won't become the thing i hate
I won't become you
