Head in mercy the strange
The skin the mercy
Add the duality and pictured match
Blood the drop the matched and life
Disgust the drop and blood with a smiles
The fall one the drop trying
Voices the emotions the arms
The disgust with a header
With listens the phone
Second the light on the call the emotionless
That the falling one dreams the deliver us
Through the revelation surgery glass
Hushing trashed the your let the your skin
My fallen dreams the betrayer an disgust of misery
signs
Through in arms delusion the voiceless and trying died
Desire voiceless
