It ain't at all what it appears to be  
Ain't at all what it's suppose to be  
Maybe just ain't what I'd hoped it be  
But maybe that's just me

A good time for a bad one had  
Some of the worst are the best ones had  
But maybe that's all one had  
And maybe that's just me

Take somethin', give somethin' back  
Take a little more, give more back  
Give and take until it don't come back  
Maybe that's just me

But a good wheel will go around  
Hop on and ride her around  
What goes there comes around  
And maybe that's just me

Tomorrow leaves a yesterday  
Goes on day after day  
Leaving hope for maybe just some day  
And maybe that's just me

But, here there, in the thick of times  
Arriving in the nick of time  
Sure looks to be about that time  
And maybe that's just me

Well it's about time!

Don't it just break your heart  
I know it broke my heart  
I say this with half a heart  
Maybe that's just me

And why do it feel this way  
Oh! Why wont it all just go away  
Cause I wouldn't have it any other way  
And maybe that's just me
