the sound of revolution.the soul of my evolution.i take
the test and i fail.i take my lumps and wail.its a
conspiracy,yeah its inside of me.life,its all
distorted,but sound,we can record it.the sound of
revolution.the soul,my evolution.i can do nothing else.i
walk alone and sing to myself.i walk alone in my own
personal hell.a place i call home a place i dwell.its one
part of a conspiracy,inside you and
me.foreward.march.move.break.smash.build.pull.take.foreward.march.move.smash.build.break.are
you ready for the revolution?because when it comes
what are you going to do?are you just going to sing
about it?wont block or break the sound,these thoughts
are to profound,its a conspiracy,yeah its inside of
me.its a conspiracy,a death conspiracy.its a conspiracy
inside you and me.i let the hammer fall.i watch it
smash them all.do not ignore the sound,weither it big
or small.the sound of death breathes life,you cant
ignore the signs.it will infect your head,i will inject my
finds.sound,revolution.the sound of death breathes
life,do not ignore my strife,i said im death for life!
