Sold myself to misery.  
I can't take another day.  
Seeing you pushed to the edge.  
Tried to reach you once again.

I can't hold you with these hands  
I can't make you understand.  
You got so much fire to bring  
When you're silent I say:

(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
I sing to you.  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
I sing for you.

(Down, down.)  
Sink in to nothing like we do.  
All this pain I see, it is killing you.  
(Down, down.)  
Use this pain to push us through.  
If we stay together we will break through.

I'm fighting for what keeps us  
damned, in all the creaks of the heart.  
Your soul is bound.  
A fire burning way inside.  
With all his power, we will rise!

Take it back, this is your life to  
know the mindset that is I.  
You got so much fire to bring  
Join me when I say:

(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
I sing to you.

(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
I sing for you.

(Down, down.)  
Sink into nothing like we do.  
All this pain I see, it is killing you.  
(Down, down.)  
Sink into nothing like we do.  
If we stay together, we will break through.

Sold myself to misery.  
Depression! Gotta break free!

Join me when I say:

(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
I sing to you.  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
I sing for you.

(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
I sing to you.  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
(Whoa-oh-oh.)  
I sing for you.
