Death By Stereo
"Nosotros Controlamos Todo"

One, one destiny,
One, one quest for me,
This will set me free, this life,
One, one destiny,
One, one quest for me,
This will set me free, this life

Takin', takin', takin' it all,
Takin', takin', takin' control,
You're takin', takin', takin' the fall, no!
Takin', takin', takin' it all, (broken hearts)
Takin', takin', takin' control, (broken dreams)
You're takin', takin', takin'(You control the airwaves),
the fall, no! (we control the streets)

You can take it all from me, but you can't have my
mind,
Show me what I'm supposed to see, but you won't make
me blind,
I am but one voice of many, you cannot define,
To terrorize us is inhuman, to slit your throat devine

One, one destiny,
One, one quest for me,
This will set me free, this life,
One, one destiny,
One, one quest for me,
This will set me free, this life

Takin', takin', takin' it all,
Takin', takin', takin' control,
You're takin', takin', takin' the fall, no!
Takin', takin', takin' it all, (broken hearts)
Takin', takin', takin' control, (broken dreams)
You're takin', takin', takin'(You control the airwaves),
the fall, no! (we control the streets)
You can take it all from me, but you can't have my
mind,
Mind control infecting me, no!

One, one destiny,
One, one quest for me,

This will set me free, this life,
One, one destiny,
One, one quest for me,
This will set me free, this is my life

You can't win this fight, total control is mine,
I'm DEATH FOR LIFE! DEATH FOR LIFE!
I'm DEATH FOR LIFE! DEATH FOR LIFE!
DEATH FOR LIFE! DEATH FOR LIFE! DEATH FOR LIFE!

I am but one voice of many, to stand up and defy,
To push your hate into the fire, and burn up all your lies

One, one destiny,
One, one quest for me,
This will set me free, this life,
One, one destiny,
One, one quest for me,
This will set me free, this is my life
